Dear Parents and Carers,

We would like to invite you to our 'Come Learn with Me' event!

During the afternoon, you will have chance to see how we teach early reading skills through the use of Phonics in our Read Write Inc. program and take part in different phonic based activities. You will also get to listen to a story session, and will be able to watch (and join in if you wish!) with our 'Book Talk' discussion.

There will be also be time for your child to show you around and share the work they have done so far in school. Your child's class teacher will chat to you about how they have settled into Reception and provide you with information on how to support and encourage your child to read and learn at home.

The events will run as follows:
